Testimony

“Before joining Sachmaas Academy Online Spoken English course. I was lacking in confidence, my grammar rules were unclear, and I had few words to express my views. The Roleplays, Vocabulary, Grammar, Group discussion, and email drafting skills activities boosted my confidence and now I can communicate in English Fluently. I would like to thank Dipti Ma'am and my trainer Shephali Ma'am. They always guided and corrected me. I will recommend the Sachmaas Academy Spoken English course.”

“It was a great learning experience at Sachmaas founded by Dipti Ma'am. Only because of her I can converse with anyone in English. She teaches us in such a manner I can't forget in my whole life. She gave us day-to-day life examples that help us to remember. Thank you so much Sachmaas Academy for being with me. And I am glad that I am your student.”

I really enjoyed learning. Under her guidance, I have not only improved my communication skill but also enhanced my confidence...As a result, last week I successfully cleared one interview and am appointed as a professor in an esteemed institute.
